### SUMMARY

Extremely motivated to constantly develop my skills and grow professionally. I am confident in my ability to learn any codebase or front end framework put in front of me. I will strive to create innovative and creative websites with seamless user interfaces.

### PROFESSIONAL SKILLS

Javascript  
React/Redux  
CSS  
LESS  
SASS  
MongoDB  
Express  
Node  
Bootstrap

### EDUCATION

Bachelor Of Arts, Major in Political Science  
University of South Florida

### PROJECTS

#### DEVELOPER PROFILES

[www.meetdev.app](http://www.meetdev.app)

- An app to connect employers with developers. Developers can post a profile and search through potential job listings created by employers. Employers can search for developers by a variety of filtering options including location, languages, etc.
- Group project where I primarily focused on front end styles and animations.
- Tech Stack - React, MongoDB, Node JS

#### S & J ARCHITECTS

<https://vigorous-colden-11084b.netlify.com/>

<https://github.com/Nate152/User-Interface-Project-Week>

- Website for a mock architectural firm
- Tech Stack - HTML, CSS, LESS, GSAP (greensock animation platform)

### EXPERIENCE

#### SECTION LEAD/TEACHING ASSISTANT

Lambda School June 2018 - Present

- Managed groups of students, both large and small, helping them learn basics of front end web development.
- Managed a team of teaching assistants
- Reviewed code and made comments/suggestions
- Handled basic student complaints/problems

#### FULL STACK WEB DEVELOPER

Lambda School | Jan 2018 - June 2018

- 6+ month Full-Time CS fundamental/Software Development program
- Utilized agile software development and Gitwork flow on all projects- Gained experience working with clients and understanding client demands by collaborating on full life cycle projects- Completed all curriculum course work including; React, react native, redux, node, express, mongoDB, mocha, chai, python, django. Hands on experience with client and server testing, paired programming, and CS fundamentals

#### SHIFT LEAD/VETERINARY TECHNICIAN

Banfield Pet Hospital | May 2013 - Present

- Worked in a veterinary hospital as an assistant to the doctors in both surgery and in-patient rooms.
- Responsible for quarterly inventory and other administrative duties.
